COSELA Cares™ offers you financial assistance for your treatment

Your treatment can come with surprising and unplanned costs. But you're not alone in this. The dedicated COSELA Cares support team is here to help you throughout your treatment journey.

How we can support you

We want to help you access COSELA treatment and support resources. Access and affordability programs are available for eligible patients who meet program criteria.

We can assist with:

Getting started on COSELA

so you can begin treatment as soon as possible with the help of your healthcare provider

Benefits verification to

confirm your coverage and out-of-pocket responsibilities

Providing resources that connect you, regardless of insurance type, to appropriate support options for high deductibles, copays, or coinsurance^a

Navigating insurance-related delays or coverage denials

Talk to your healthcare provider if you have any questions about how to access COSELA.

^aCOSELA Cares provides informational support only and does not submit claims or perform administrative services on behalf of your healthcare providers. Program participation does not guarantee your insurance coverage, product access, or reimbursement. Eligibility and restrictions apply.

You don't have to go through treatment alone

There are many helpful online resources that you may find useful as you go through treatment.

Virtual communities and organizations can provide you with additional information about your type of disease, upcoming clinical trials, and even connect you with other people who have gone through a similar experience.
